

NORTHERN LAKE GEORGE YACHT CLUB

P.O. BOX 710, HAGUE, NY 12836

(518) 543-6533

APPLICATION FOR MEMBERSHIP

The Northern Lake George Yacht Club was formed in 1940 by the merging of several sailing groups at the northern part of the lake. The Club carries on a summer program of sailing, swimming, life saving, water safety and tennis. The Club facilities, including land, clubhouse, equipment and boats are the results of member's • contributions and volunteer construction efforts over the years. Club dues, together with fees for classes, cover current expenses: a modest Capital Fund assessment is required for new members.* Also, all members recognize that the Board of Directors from time to time may authorize solicitation of members for voluntary contributions or special assessment for Capital Projects. Prospective members must be proposed and seconded by present members and elected by the Board of Directors.

* Capital Fund assessment for new members selection: \$950 upon joining

Five annual installments of \$220

Exemption: A child of an ACTIVE FAMILY member may apply for his or her own membership, exempt from the Capital Assessment, as early as the summer in which he or she achieves age 21, provided that the family has maintained ACTIVE FAMILY membership for the three years leading up to the year in which the application of the child is submitted. This privilege, and the three year prior membership requirement, remain in effect until the summer in which the child achieves age 25. If the child does not become a member by the summer he/she achieves age 25, such individual will no longer be considered part of that family's membership, and if later applying for membership, will be required to pay the full capital assessment for new members.

Take special notice that the location of NLGYC in a residential neighborhood imposes restrictions on the use of its facilities. Members may only use the facilities for Club-sanctioned activities and may NOT use them for personal recreation or lake access. The hoist and parking area may only be used during the summer season and then only by boats actively participating in the NLGYC racing program.

Other Membership Rules:

1. Guest Privileges: A member may have a guest use the club in accordance with that member's privileges on two occasions. Any guest should not be offered these privileges more than twice in a season. Guests must be accompanied at all times by their sponsoring member. NLGYC members may not be offered guest privileges. To encourage and support sailing participation, guest limitations do not apply to crews while they are participating in racing activities.
2. Extended Family: Individuals under the age of 25 will be granted membership privileges consistent with the highest activity level of member ancestors living in the same household, including relief of surcharge payments in the Junior Program fees.
3. A child of an ACTIVE FAMILY member may apply for his or her own membership, exempt from the Capital Assessment, as early as the summer in which he or she achieves age 21, provided that the family has maintained ACTIVE FAMILY membership for the five years leading up to the year in which the application of the child is submitted. This privilege, and the five year prior membership requirement, remain in effect until the summer in which the child achieves age 25. If the child does not become a member by the summer he/she achieves age 25, such individual will no longer be considered part of that family's membership, and if later applying for membership, will be required to pay the full capital assessment for new members.
